NMHC Rent Payment Tracker

Data Methodology

- Collected each week
 - Week 2: April 6 – April 12
- Partial payments are counted only once monthly, in the first time period it occurs. Subsequent partial payments are not captured.
- Single-source data collection from PMS partners, not payment software
- Percentages based on total occupied units; historical data are same-store.
- Total unit counts will vary with each release as units are occupied or vacated.
- Student housing, military housing, and subsidized affordable units are not included.

NMHC Rent Payment Tracker

Note: Data collected from 11.5 million apartment units.
